Application for Agriculture Classification of Lands

Tax Year 2012

Pursuant to Florida Statutes 193.461 (3) (a), "No lands shall be classified as agriculture lands unless an application is filed on or before March 1st each year." Only lands used for Bona fide agricultural purposes **shall be classified agricultural**.
"Bona fide agricultural purposes" means good faith commercial use of the land.

12D-5.001 Agriculture Classification, Definition is the pursuit of an agriculture activity, for a reasonable profit. **January 1st** is the statutory assessment date; therefore, in order for property to be considered for agricultural classification, it must be in use **as of January 1st 2012**.

It is the responsibility of the landowner to make sure that the intended agricultural use complies with all state, county and municipal codes, ordinances and deed restrictions.
